

Section 3 – External Auditor Report and Certificate 2017/18

In respect of

BURGH LE MARSH TOWN COUNCIL (LI0060)

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2018; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2017/18

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Section 2, Boxes 3 and 7 for the prior year comparative column should have been restated as £27,097 and £91,459 respectively, as reported in the prior year external audit report. The Council has disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.
- Section 2, Box 7 for the current year does not agree to Boxes 1+2+3-(4+5+6). The figures in Boxes 1 and 6 should read £91,459 and £204,268 respectively. This also ensures that the balance carried forward (prior year Box 7) agrees to the balance brought forward (current year Box 1).
- Section 2, Box 8 does not agree to the cash book figure on the bank reconciliation. The figure in Box 8 should read £98,534.

The smaller authority has disclosed that it made proper provision during the year 2017/18 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion.

Other matters not affecting our opinion which we draw to the attention of the authority:

None
